

State-level Workshop on Experimental Physics 2022-23

for

Higher Secondary Students (XI & XII)

Organised by

Indian Association of Physics Teachers (IAPT) [RC 15]

Duration : 17th December-2022 to 31st January - 2023

Link for Registration: <https://forms.gle/dMUJGypN5Nkv4x3i8>
(Last date of registration: 10th Dec, 2022)

Email: iaptrc15.onlineprog@gmail.com

Details:

1. At the end of this workshop, a State-Level Competition on Physics Experiments will be organised by IAPT RC-15.
2. Objective: To create an environment of learning Physics through experiments at Higher Secondary level
3. Platform: Online [Google meet & Classroom]
4. Duration :17th December to 31st January - 2022.
5. Participants: Each willing school can send a maximum of eight H.S. (XI or XII) students and one or two physics teacher for this State level Event.
6. Each student have to fill up the Google form individually.
7. Teacher should send the names of his/her students through email.
8. Language: English and Bengali
9. Students have to perform 4 specific experiments using -
(i) Simple pendulum (ii) Scale balance, (iii) Convex lens (iv) Smartphone at home or school. Experimental details will be given in manual.
